

Mommy and Me

CATS and Brats is organising a children's carnival on March 8 at Vivero International, Kalyaninagar. The carnival is aimed at educating children from an early age to be kind, compassionate and friendly towards animals. The organisers are putting up a host of events that will include children interactions with animals, picture sessions, a magic show, a variety of games and rides, art activities and pottery. Keeping in mind that it is International Woman's Day on Saturday, the organisers have also set up a makeover stall for mothers accompanying the children at the carnival. The carnival will begin at 2 pm.
